After Colony 195. The battle between the Gundam pilots and the United Earth Sphere Alliance Specials (the secret society OZ) has entered a new phase. Having lost Operation Meteor, whose objective was the destruction of OZ, Heero and the others separately launch back into outer space. The leader of OZ, Treize Khushrenada, sends his beloved Lady Une into space to strengthen colonial relations. The colonies accept OZ and in turn, the Gundams are labeled as rebels and they're forced to fight alone.

While OZ appears busy in space, a series of incidents occur where OZ Space Forces facilities and armed colonies are attacked by a mysterious Gundam. Trowa, who infiltrated OZ as an officer, takes a captured Heero to investigate the mysterious Gundam aboard new mobile suits. The one piloting the Gundam is Quatre and is mercilessly annihilating colonies. Quatre, whose father was killed by unsympathetic colony citizens, declares revenge against everyone with weapons. He lashes out at Heero and Trowa with a murderous intent, his eyes filled with insanity.

HAHL

WHAT ARE YOU DOING, WUFEI?

HAHL

THERE'S NO SENSE IN STUDYING THAT NOW.

STAY CALM IF YOU WANT TO LIVE A LITTLE BIT LONGER.

WE'RE OUT OF LUCK UNLESS SOMETHING DRASTIC HAPPENS.

I'M DOING EVERYTHING I CAN IN CASE "SOMETHING DRASTIC" DOES HAPPEN.

IN CASE
"SOMETHING
DRASTIC" DOES
HAPPEN.

DAMN...

WHY HEERO...
ARE WE
FIGHTING
EACH
OTHER?

THEY'RE
YOUR
ENEMIES
NOW TOO,
TROWA AND
HEERO.

THE
COLONIES
ARE MY
ENEMIES.

THE
COLONIES
HAVE
TEAMED
UP WITH
OZ.

PEOPLE IN

LOST ALL
REASON.

THAT'S WHY I'M
GOING TO
DESTROY
EVERYTHING.

WINTER 2015 DONATION DRIVE & STAFF SEARCH

I'm sure everyone has all but forgotten about our work on certain projects, but rest assured I'm progressing on a various assortments and will get them released. As it stands, it has been a one man show for a while now but I guess I'll branch out again and ask for staff. Here's what I'm looking for:

TRANSLATORS: While I'm rather anal retentive when it comes to translating (at times), I suppose I could use a few more to assist in moving projects along a bit further. Since I tend to scan, translate and photoshop as I go, I have a significant backlog of scans that I'd like to clear out. I have a test for those interested.

EDITORS: I'd like to clean up a bit of my old projects as well as some new and yet unseen ones. I have a few ideas, so if people are able to work with what I have planned, that'd be awesome! I have a small sampling of what I'm looking for as well as a test.

TIMER/ENCODER: There is a certain project I'd really like to release to the Gundam community, but unfortunately merely reading it is a bit of a drag. Therefore, I'd like someone to time a script for me and be able to encode it for me. It's relatively simple I think (but timing is a chore for me, and it'd take years for me to complete this). If you're willing to help, contact me for project particulars.

And, as always, donations would be appreciated. There's a lot of projects I've released individually and now the compilations are available, but shipping from Japan kills me. Ordering Gundam Ace and one or two other books costs an average of \$45 just for shipping. It hurts, but expediency is key. People have donated and continue to, and I'm eternally grateful for your patronage. Server bills are also coming up and I'd like to keep the database I've established online since it's more accurate than what you'll find on the Gundam Wiki and elsewhere.

Donation details are available on our website and any staff inquiries can be made to deacky@gmail.com.

Thanks guys! Sieg Zeon!
